

Croissy Home Group Report

The Croissy home-group, meets every Thursday evening, at 8:30 p.m., at the Kendalls in Bougival.

Over the last 12 months, we covered the Book of Daniel, Ezra and Titus. We also had some special meetings for prayers and reflection.

Last summer, we lost two important and old members of the group as Sylvia and Stuart Davidson returned to the UK, but fortunately, we still have three permanent couples on the list and manage to have 4-6 people on a single evening. We hope to see the group continue to grow and look forward for new members to join in.
