In addition, we supported a child in the Philippines, Kenje, via SEL

We have also maintained links with Bishop Todd and Rev. Patsy McGregor in Madagascar, who visited us last Summer. See <http://www.peoplereaching.org/> The small local women's enterprise which Maggie helped start in Toliara in 2016, with help from donations from churches like ourselves seems to be doing well.

And of course our local operation Stephen continues – see separate report.
