Saint Quentin housegroup report

The Saint Quentin housegroup meets fortnightly at the house of Christina and Philippe Galley in Voisins-le-Bretonneux, and it is open to anyone whether or not they live in Saint Quentin en Yvelines.

Our group has had 8 regular participants this year. We begin each meeting with a time of conversation, tea and cakes (often home-made!), then we move into the study, and finish with prayer. Sometimes we base our study on the Sunday sermons. Recently we have been studying the book of Philippians. We value each person's contribution to the group and we are able to voice our doubts and opinions freely.

Our meetings are a valued source of support and fellowship, plus good fun, and we enjoy frequent socials (galette des rois, birthday cakes, end of year celebrations).
