

## Versailles Home Group Report

The Versailles group has continued to meet fairly regularly this year, either in the church sanctuary or in the Sunday School room (and even once or twice in the chaplaincy house) . Our numbers usually vary between 6 and 10. On several occasions we have had the pleasure and privilege of welcoming our locum chaplains and have benefitted enormously from their input.

An initial period of fellowship and refreshments (more often than not with a delicious homemade cake) is followed by the singing of favourite worship songs. We then move into a time of Bible reading and study, and usually finish with intercessory prayer, focussing particularly on church and family issues. This year we have been working through the Scripture Union Life-Builder Bible Study on « Christian Character » which we have found quite challenging.

The evenings are a valuable time of sharing, support, encouragement and discovery, and we appreciate enormously the opportunity they provide of learning and growing together on both relational and spiritual levels. I would like to emphasise too that we are always more than happy to welcome new members, so please don't hesitate if you feel you'd like to come and join us.
